Gentlemen:

Reference is made to your Application for Permit to Drill (APD) well No. 4 Prichard Federal, NW $\frac{1}{4}$ SW $\frac{1}{4}$ sec. 6, T. 29 N., R. 8 W., San Juan County, New Mexico, lease Santa Fe 078487-B. As discussed with Mr. W. K. Cooper of your Company on June 21, 1983, the subject APD is hereby rescinded and returned due to drilling operations not being commenced within a six month extension period following the original approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in assessment of liquidated damages.

Sincerely yours,

for Acting Area Manager
