RE: **BURLINGTON STATE COM #100 A-2-29N-08W API 30-045-27313**

Gentlemen:

The above listed well is in violation of Rule #201.B. Your request to extend the shut-in is denied.

The last production reported on this well was May 1997.

Rule 201.B. "A well shall be either properly plugged and abandoned or temporarily abandoned in accordance with these rules within ninety (90) days after...

(3). A period of one (1) year in which a well has been continuously inactive."

You are hereby directed to bring this well into compliance before December 1, 1999. Review Rules #202 and #203 for the necessary filing requirements to plug and abandon or temporarily abandon this well.

Feel free to call me at 334-6178, ext. 16, if I can be of any help.

Sincerely,

Charlie T. Perrin  
Deputy O&G Inspector
