13. Describe Proposed or Completed Operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Amoco Production Company respectfully request that an extension to the permit issued for the subject well on November 03, 1998 be extended. Due to changes in our drilling program this well was pushed back on our drilling schedule. A sundry notice to alter the casing program was submitted to your office on 8/23/1999 and approved on 8/27/1999. It is our intention to begin the drilling of this well during this quarter.
