Gentlemen:

Reference is made to our letter dated February 13, 1980, in which we rescinded and returned your Application for Permit to Drill Well No. 4 A. L. Elliott "C" in the NE¹/₄NE¹/₄ of sec. 15, T. 29 N., R. 9 W., San Juan County, New Mexico. Since we had not received a drilling report or Sundry Notice, our records did not reflect the present drilling activity of this well. Therefore, due to this drilling activity, your application is hereby reinstated and completely valid. Please return the rescinded application so we may place our files in correct order.

In the future please submit timely Sundry Notices and Reports on Wells so we may keep our well files current.

Sincerely yours,

James F. Sims
