Dorothy,

Per your request please find attached copies of C-102 for our State Gas Com BF well 1E. This Form was originally submitted with our request to recomplete from the Basin Dakota to the Blanco Mesaverde on 1/26/2000. Application was amended on 6/12/2000 conform to our plans to maintain the production in the Dakota and complete uphole in the Mesaverde and commingle production between these zones downhole. At the time of the second filing this Form was inadvertently left out. These copies are for your information and files.

Thank you,

Mary Corley
