Re: Communitization E/2 16, 30N-7W,
Rio Arriba County, New Mexico

Dear Mr. Spurrier:

I enclose herewith the following instruments in connection with the drilling of a gas well on captioned unit:

1. Original and 6 copies of Form C-101, Notice of Intention to Drill.
2. 5 copies of location plat covering captioned unit.

Please note that the plat indicates the reason for the unorthodox location.

Inasmuch as the location is not within 660 feet of an adjoining lease I felt that it was not necessary to obtain letters of permission for the unorthodox location.

Your early approval will be sincerely appreciated.

Yours very truly,

A handwritten signature in cursive script, appearing to read "W. P. Carr".
