Mr. Joe Ramey
New Mexico Oil Conservation Division
Post Office Box 2088

Dear Mr. Ramey:

This is a request for administrative approval for an unorthodox gas well location in the Basin Dakota pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 30-4 Unit #39 at 1520' from the North line and 720' from the West line of Section 18, T-30-N, R-10-W, Rio Arriba County, New Mexico.

Extremely rough terrain with cliffs and ledges in the northwest corner of this section makes it impossible to build an orthodox gas well location.

All operators of proration units offsetting the proposed unorthodox location have been notified of this application by certified mail.

Plats showing the proposed well location and the terrain of Section 18, along with an ownership plat, are attached.

Sincerely,

A handwritten signature in cursive script that reads "L. A. Aimes".

L. A. Aimes

LAA:pb

All distances must be from the outer boundaries of the Section.
