13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Phillips wishes to keep the current TA status of this well until at least 6/1/03 (currently due to expire 1/1/03). With the changes involving the merger of Conoco and Phillips and changes in personnel, we are requesting more time to evaluate the Wildcat Tertiary results of the well in our 31-6 Unit.

14. I hereby certify that the foregoing is true and correct.

Electronic Submission #15464 verified by the BLM Well Information System  
For PHILLIPS PETROLEUM COMPANY, sent to the Farmington  
Committed to AFMSS for processing by Steve Mason on 10/25/2002 (03SXM0061SE)
