Dear Orville:

As per our conversation about the non-compliance of the above mentioned well and the different options that are available to you to return the well to production, Temporary Abandon the well with a CIBP or plug the well. The well must be brought into compliance prior to January 11, 1998. If I can be of any help feel free to call me at 505-334-6178.

Sincerely:
