Dear Sir:

In accordance with the provisions of Rule No. 112-A, Multiple Completions, as amended by Order No. B-1214, dated July 3, 1958, Pan American Petroleum Corporation respectfully requests administrative approval to dually complete the Trujillo Gas Unit No. 1 in the Pictured Cliffs and Undesignated Farmington gas zones. Trujillo Gas Unit No. 1 is located in Unit N, Section 21, T-29-N, R-18-W, and is approximately two miles northwest of Southern Union Gas Company's Armenta No. 1 which was approved for dual completion in the same zones by Order No. BG-733 dated March 2, 1959.

Also submitted is one copy of the electric log which has been posted with the required completion data.
