Dear Ralph:

The gas production from subject well will be used by the operator for domestic and farm uses.

He is being advised to report on Form C-115 the estimated volumes each month.

Forms C-111 are not being requested because of the low volume to be used.

Further testing of the well will not be required.

If questions arise, please contact us.

Yours very truly

Dear Sir:

The gas production from subject well will be used by the operator
for domestic and farm uses.
We are being advised to report on Form O-112 the estimated volumes
each month.
Forms O-111 are not being submitted because of the low volume to be
used.

Further testing of the well will not be required.

If questions arise, please contact us.

Yours very truly
