Mr. W.B. Massey, Secretary-Director
Oil Conservation Commission
Box 671
Santa Fe, New Mexico

Dear Mr. Massey:

Form C-110 has just been received in this office showing that J. Glenn Turner has assumed ownership and operation of the #1 W.L. Hare well in the NE 23-37N-11W. This well was formerly operated by Basin Natural Gas Co. We have received a copy of your letter to Mr. William G. Webb Attorney at Dallas regarding transfer of this well and bonding of the same. I am sure that J. Glenn Turner is already bonded in the State, so that if they wish to carry the well as J. Glenn Turner's well everything should be in order.

Yours very truly

Henry C. Arnold
