O Dear Nancy:

This will acknowledge receipt of your letter dated February 4, 1955 with reference to the Designation of Operator on the W. L. Hare No. 1 Well located in the NE/4 of Section 23, T-29-N, R-11-W.

P I believe it would be preferable to carry this well under the name of Mr. Turner as the Operator. In view of the fact that Mr. Turner already has a statewide bond and Messrs. Abraham, Turner and Webb now have a collective bond on their operations in the State, it is my understanding that the bond coverage is entirely adequate, but, as stated above, in order not to complicate our records on account of this one well, it would probably be better to show Mr. J. Glenn Turner as the Operator thereof.

Y With best wishes, I am

Yours very truly,

William G. Webb

Dear Nancy:

This will acknowledge receipt of your letter dated February 4, 1955 with reference to the designation of Operator on the W. L. Lane No. 1 well located in the NW 1/4 of Section 25, T-29-N, R-11-E.

I believe it would be preferable to carry this well under the name of Mr. Turner as the Operator. In view of the fact that Mr. Turner already has a statewide bond and Messrs. Lorman, Turner and Lane have a collective bond on their operations in the State, it is my understanding that the bond coverage is entirely adequate, but, as stated above, in order not to complicate our records on account of this one well, it would probably be better to show Mr. J. Glenn Turner as the Operator thereof.

With best wishes, I am

Yours very truly,

William C. Webb
