Dear Mr. Webb:

No doubt you have already received Mr. Macey's letter of February 2 which was written after receipt of Form C-110 carrying the Hare No. 1 Well in the name of J. Glenn Turner only.

Since you have now sent us the rider supplied by United States Fidelity and Guaranty Company agreeing to the inclusion of Mr. Turner's name on the Webb-Abraham bond, you are of course covered in that respect.

You may therefore show the operator as Mr. Turner alone, if you wish to follow through on the C-110, or as Webb, Abraham and Turner, whichever you prefer.

Very truly yours,

*NR*

Dear Mr. Less:

I am sorry that you have already received Mr. Wagner's letter of  
February 3 which was written after receipt of Form O-110  
concerning the Hare and Wolf in the name of J. Edgar Hoover.

I have now sent on the right supplied by United States  
Shipping and Guaranty Company regarding to the inclusion of  
Mr. Hoover's name on the Webb-Anderson Bond, you are of course  
referred to that request.

I am therefore glad the operation as per "Hare and Wolf"  
is now being followed up on the O-110, in no way, however,  
and names, whichever you prefer.

Very truly yours,

For Mr. J. Less
