Dear Mr. Page:

Enclosed <sup>is a copy of a letter</sup> ~~are copies of letters~~ received in this office which I think are self-explanatory. Also a letter from this office to you which was returned as "unclaimed".

If you wish the ownership of the well changed to Malborne Petroleum Corporation forms C-103 showing casing tests, Form C-105 showing well history must be filed with this office.

After approval of the above mentioned forms has been granted, this office can then approve forms C-110 showing change in ownership. The forms C-110 are to be filed by the new operator.

This letter will serve as a notice to cease all operations on the #1 Salinas well, such operations to be suspended until written permission is granted by this office.

Yours very truly
