Mr. Phil McGrath  
United States Geological Survey  
Aster, New Mexico

Dear Sir:

We are enclosing herewith Form 9-331A, Notice of Intention to Drill our Carl E. Maxey Well No. 1 on Lease No. NM-013885.

We have contacted Mr. Echobank of Farmington requesting that he furnish your office with location plat.

If there is any further question in connection with this proposed well, we kindly ask that you call Mr. Jason Kellahin of Santa Fe, New Mexico, who is handling filing of necessary papers for unorthodox location as effecting a gas well.

Yours very truly,

*Claud E. Aikman*
