Oil Conservation Commission
Box 871
Santa Fe, New Mexico

Att: R. R. Spurrier, Director

Dear Mr. Spurrier:

Attached hereto is a plat showing the location of Francis L. Harvey #1 Mary Hare located 1270 feet from the East line and 770 feet from the South line of Section 14, Township 29N, Range 11 West, together with note from the Offset Landowners to the South stating they have no objection to the location of this well. This also shows that Mrs. Mary Hare owns all of the Southeast quarter of Section 14, on which the well was drilled.

Hoping this meets with your approval and that you will allow us to produce this well,

Yours very truly,

Francis L. Harvey
