New Mexico Oil and Gas Conservation Commission
Santa Fe, New Mexico

Gentlemen:

It is our plan to drill a well in the SE/4 of Section 15, Township 29 North, Range 11 West. This well will be known as the A. C. Hare #1 and you have already approved our Bond on same as of April 4, 1955.

At that time we were assured that we would receive a signed lease from Gilbert Noland on approximately one acre that he owns in this drilling unit. We sent him a lease and have also telegraphed him by Western Union to please sign same and return. To date we have not received this lease and we desire to move equipment on this property not later than Friday, April 22, 1955.

The legal description of his property is as follows:
Beginning at a point 168 1/3 feet North of Southwest Corner of the SW/4 of the SE/4 of Section 15, Township 29 North, Range 11 West, N.M.P.M., THENCE North 78 feet; THENCE East 140 feet; THENCE South 78 feet; THENCE West 140 feet to place of beginning (Excepting therefrom that portion of the above described property now being used as a public road.)

The other lease holders, who have all signed their leases and are of record, are:
Tony Faverino and Eunice Faverino, and Michael Rocco and Patricia Rocco.
Alex C. Hare and Pearl Hare
Wayne Hare and Donna Lee Hare
Mollie James, Alex C. Hare and Pearl Hare
E. C. Tackett and May Tackett
Virginia Kittell and Arthur C. Kittell
George Bruington and Grace Bruington

Permission is hereby requested from you to allow us to start operations and we will set aside any Royalties for Mr. Noland according to instructions from you.

It would be appreciated if we could receive a prompt reply regarding this matter.
