Attn: Mr. A. R. Kendrick

Dear Sir:

It is my understanding that the Global Oils Incorporated have a well drilled on section 15-29-11. I own property of 40 acres located on the NW $\frac{1}{4}$  SW $\frac{1}{4}$  of 15-29-11 and I would like to know if this acreage comes within this company's drilling acreage, and if so when this well was drilled and if they have gotten production.

Thank you in advance, I am,

Yours truly,

*Mrs Anna B McClure*
