17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

In an effort to increase productivity of this well, it is planned to install a controller on this well to unload wellbore fluids by regularly shutting the well in for pressure buildup.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
