17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

In May, 1968, well was shut in due to water intrusion and remained shut in until November, 1969 when a swabbing unit was brought in to clean hole out and return well to production.

Well was put back on line November 18, 1969 @ 5:38 PM.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
