Re: George H. Krause Estate
Krause-Beck Well No. 1
J-10-29N-12W, San Juan
County, New Mexico

Dear Mr. Kendrick:

In view of the fact that for the first time since the death of Mr. Krause an interest has been displayed on the part of a potential operator of the above-described well, the Executrix of the Estate, Kathryn B. Krause, is now engaged in determining the scope of the interest, the basis for it, and on what basis, if any, to transfer the estate's interest in this well.

This letter is to request an extension of at least sixty days to allow for the resolution of all of these problems, at the termination of which it is expected that transfer will have been accomplished or abide by the wishes of the commission.

Sincerely,

Ruth Rouss
Attorney for the Estate of
George H. Krause, Deceased

Mr. Joseph Burns, Attorney,
