Re: George H. Krause
Krause Beck #1

Dear Joe:

A delay in the plugging of the subject well was authorized on December 10, 1976. We have received no further reports.

Under a revision in the bonding law effective June 17, 1977, our legal department can make demand for the bond amount and we will plug the well in absence of the operator's performance.

To prevent our demanding the bond money, please cause the well to be plugged prior to September 15, 1977.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick

Re: One-well \$5000 bond
George H. Krause
Krause Beck #1, J-10-29N-12W
Hartford Accident and Indemnity Company

Dear Waldo:

We have not been able to contact Mr. Krause for several years about the well for which the subject bond was written.

Please send me an address of the New Mexico resident agent of the Hartford Accident and Indemnity Company who executed the bond. Maybe they can locate Mr. Krause.

Otherwise, we will have to docket a case to allow all interested parties to appear and justify the well in its current status.

If there are questions please contact us.

Yours very truly,
