Attn: C. Beeson Neal

Dear Sir:

I am returning 2 copies Federal Notice of Intention to Drill for your #9-1 Turner-Nye, located in the NW $\frac{1}{4}$ of Section 9, Township 20N, Range 10W. This well is located within the limits of the Aztec Pictured Cliffs Pool and it will therefore be necessary that cement be placed across the Pictured Cliff formation.

Will you please amend your Notice of Intention to Drill to indicate this will be done and return it to this office?

Yours very truly,

Emery C. Arnold

Mr. Arnold: As suggested, I have typed an amendment on you two copies of U.S. G.S. form 9-331a - and return them to you, herewith. We are also forwarding a form 9-331a in quintuplicate to the U. S. G. S. in Farmington, today - with the same information, and no doubt you will receive two copies of that in due course.
