To Whom It May Concern:

Thank you for responding to Memorandum (3-91-10) dated December 27, 1991, however, you failed to submit the plans to bring this well into compliance that were to be in this office by June 30, 1992. This well is still inactive and requires P&A or TA approval under Rules 201, 202 and 203. Your failure to respond will result in violation of Rule 201. If you do not respond by March 1, 1993 we may assess fines or take other appropriate measures.

Sincerely,

Dianna K. Fairhurst
