Gentlemen:

We have been advised by Mr. Bill Rogers, of El Paso Natural Gas Company, that the Well Plat, in connection with the above-captioned well, has not been filed.

Our records in this office indicate that the Gas Well Plat was forwarded to you on December 1; however, we are enclosing five (5) copies of the Gas Well Plat in connection with this well, and trust that this will clear all the necessary forms in connection with this well.

Yours truly,

  
H. L. Fannin, Jr.
