13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

The subject well was SI from November thru March. The amount of fresh water produced by this well makes it necessary to SI during the threat of inclement weather due to the damage which could be caused by freezing temperatures.

Therefore, please be advised this well was returned to production on April 1, 1995 @ 11:00 a.m.

I hereby certify that the foregoing is true and correct
