Gentlemen:

We have noted that the plugging bond on file which covers your Martin Stampfel #1 well located in Unit 0, Section 3-29N-16 is in the name of EPROC Associates and the latest C-110 filed is in the name of EPROC Associates and Martin Oil & Gas Company.

Our rules require that the operator of record on a well must be exactly the same as the operator on the bond. Will you, therefore, please refile Form C-104 (Revised 1/1/65) changing the name of the operator on this well to "EPROC Associates".

Yours very truly
