Durango, Colorado

Re: EPROC Associates and Martin Oil and  
Gas Company #1 Martin Stampfel, SW $\frac{1}{4}$   
3-29N-16W, San Juan County, New  
Mexico

Dear Mr. Eggleston:

The attached are copies of letters of reference in regard to the plugging of the above captioned well. We have not received any reply from the operator since the letter of June 22, 1966.

We shall approve the plugging operation when the operator completes the clean-up and notifies us to inspect the location again.

Yours very truly

A. R. Kendrick  
Engineer, District #3
