Dear Mr. Crane:

On April 25, 1978, you filed a C-103 with our Aztec District office showing your intent to plug the above-referenced well during the week of May 1. To date, this has not been accomplished.

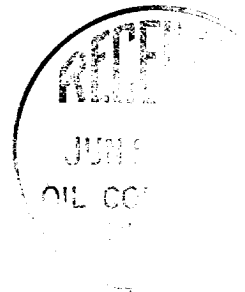

We are hereby making formal demand that you plug the Donella No. 1 by July 28 in accordance with a Division-approved plugging program. No extensions will be granted. Please contact Mr. Al Kendrick at 334-6178 before commencing operations. Failure to plug this well will result in a demand letter to your insurance company and a show cause hearing before this Division.

Very truly yours,

(Ms.) LYNN TESCHENDORF
