Farmington, New Mexico 87401

Re: Dustin #1
K- 6-29N-12W

Dear Virgil:

As you are aware, the above referenced well was completed 1-16-58 and was never produced.

To avoid the possibility of contaminating hydrocarbon bearing zones and fresh water, you are hereby directed to submit a plugging program to this office within 60 days.

Very truly yours,

Charles Gholson
Inspector, Dist. #3
