Attn: Mr. Joseph O. McGrath

Gentlemen:

We have your letter of July 6, 1964 requesting that the Blanket  
Plugging Bond in favor of the State of New Mexico, with Dan M.  
Lockie as principal, be cancelled.

# 1  
Doneback 11

Our records indicate that Mr. Lockie still has a producing well which  
is covered under this bond. This well is located in Section 3, Township  
29N Range 16W. According to the last report we had on this well it  
is still producing a small amount of oil. The bond you mentioned  
cannot be cancelled until this well has been plugged and abandoned or  
until it is replaced with a \$5,000 one-well plugging bond.

If you need any further information regarding this matter, please  
contact us.

Yours very truly

Blanket Drilling \$10,000.00

Gentlemen:

We have been advised by our agent in Miles City, Montana that the Blanket Drilling Bond filed with your department is no longer needed.

This being the case, we would appreciate a release from your department terminating our liability on this bond. The bond in question was originally executed in 1961. I am enclosing a return envelope for your convenience.

Very truly yours,

Joseph O. McGrath
