c/o L. H. Kramer, Agent  
P.O. Box 1064  
Farmington, New Mexico*

*Dear Mr. Kramer:*

*We received your notice of intention to drill for the Dan M. Lockie #1 Gersbach Unit located in the NE $\frac{1}{4}$  Section 3-29N-16W*

*Our records do not reflect that we have a plugging bond on file showing Dan M. Lockie as principal. We do have a bond showing Grossman & Lockie as principal. It will, therefore, be necessary for you either to file the notice under the name of Grossman & Lockie or secure the consent of the surety company to change the name of the principal to Dan M. Lockie.*

*I also note that Well Record, Form C-105, has never been filed on the Grossman & Locke #1 Oliver Stock well, although it was drilled in late 1961. Our records indicate that it was temporarily abandoned. We will therefore not be able to approve the new Notice of Intention to Drill until the Oliver Stock well has either been plugged or put on production and the file completed.*

*If you have any questions regarding this matter please contact us.*

*Yours very truly*
