Re: Property No. 1737  
NE NW Sec. 4-29N-12W  
San Juan County, New Mexico

Dear Sir:

Texas Eastern is the owner of, among other lands, a mineral interest under the NE NW Section 4, Township 29 North, Range 12 West, San Juan County, New Mexico. It is our understanding that Devonian Gas and Oil Company has drilled a Pictured Cliffs well in the NW SE NW Section 4. It has been Texas Eastern's desire to be included in a Pictured Cliffs gas unit covering the NW Section 4.

We wish to request a copy of Devonian Gas and Oil Company's Notice of Intention to Drill, together with Devonian's Request for Allowable, if any, and the Dedication plat filed with it.

If you will advise your charge, we will forward our check by return mail.

Yours very truly,

Wm. G. Berry  
Division Landman
