SE SW Section 24 **3N** **3W** **E. M. P. M.**
(1/4 Sec. and Sec. No.) (Twp.) (Range) (Meridian)
Blanco **San Juan** **New Mexico**
(Field) (County or Subdivision) (State or Territory)

The elevation of the ~~surface~~ **ground** above sea level is **6186** ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

Spd August 27, 1951.

Total depth 276'.

Run nine joints 9-5/8" 36 lb. J-55 (260') casing set at 271' with 130 sacks regular cement. Cement circulated to surface.

Hold 300 lbs. for 30 minutes.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.

Company **SAN JUAN PRODUCTION COMPANY**

Address **102 1/2 North Court Avenue**
Farmington, New Mexico

By **E. J. Coal**
Title **Petroleum Engineer**

The first part of the document discusses the importance of maintaining accurate records of all transactions and the role of the auditor in ensuring the integrity of the financial statements. It emphasizes the need for transparency and accountability in the reporting process.

The second part of the document provides a detailed overview of the accounting cycle, from the initial recording of transactions to the final closing of the books. It outlines the steps involved in each cycle and the importance of following established procedures to ensure accuracy.

The third part of the document focuses on the various types of accounts used in accounting, including assets, liabilities, equity, and income. It explains how these accounts are classified and how they interact with each other in the financial statements.

The fourth part of the document discusses the importance of internal controls and the role of the auditor in evaluating the effectiveness of these controls. It highlights the need for a strong internal control system to prevent errors and fraud.

The fifth part of the document provides a summary of the key points discussed in the previous sections and offers some final thoughts on the importance of accounting in business.

The sixth part of the document contains a list of references and a glossary of terms used throughout the document.

The seventh part of the document is a conclusion that summarizes the main findings of the study and offers some recommendations for future research.

The eighth part of the document is an appendix that contains additional information related to the study, including a list of abbreviations and a list of figures.

The ninth part of the document is a list of references that includes all the sources cited in the document.

The tenth part of the document is a glossary that defines the key terms used in the document.

The eleventh part of the document is a list of figures that includes all the charts and graphs used in the document.

The twelfth part of the document is a list of abbreviations that includes all the abbreviations used in the document.

The thirteenth part of the document is a list of figures that includes all the charts and graphs used in the document.

The fourteenth part of the document is a list of abbreviations that includes all the abbreviations used in the document.

The fifteenth part of the document is a list of figures that includes all the charts and graphs used in the document.

The sixteenth part of the document is a list of abbreviations that includes all the abbreviations used in the document.

The seventeenth part of the document is a list of figures that includes all the charts and graphs used in the document.

The eighteenth part of the document is a list of abbreviations that includes all the abbreviations used in the document.

The nineteenth part of the document is a list of figures that includes all the charts and graphs used in the document.

The twentieth part of the document is a list of abbreviations that includes all the abbreviations used in the document.
