Mr. Emery C. Arnold, Supervisor
New Mexico Oil Conservation Commission
1000 Rio Brazos Road
Aztec, New Mexico 87410

Dear Mr. Arnold:

This is with reference to my Delo #6 well located
K-20, 29N, 11W, Fulcher Kutz P.C. pool. The well
was connected to Southern Union Gathering Company
on February 26, 1973.

I am experiencing production problems with this
well but should be able to run initial test in the
early part of 1974.

Thank you for your consideration on the above.

Very truly yours,

W. M. Gallaway
