Dear Mr. Arnold:

In October, 1956 we temporarily abandoned drilling operations on the subject well. We now wish to continue drilling operations and are enclosing three copies of Form C-102 to advise you of that fact.

Our plans have not changed other than we will use a rotary rig for this work rather than cable tools. We have engaged the services of Fleeger Drilling Company for this work and expect to commence operations by Friday, July 19, 1957.

Yours very truly,

G. H. VAUGHN PRODUCTION COMPANY
