Re: Bond Noo. 815 60 82

Mr. Ernest W. Caywood
Hotel Richart
Garnett, Kansas

Dear Mr. Caywood:

We are attorneys for Great American Insurance Company who bonded the plugging of the Chas. A. Drilling Company, Quinlan #1 well located in Section 3, Township 1S, Range 2E, Martin & Borders Survey, Rio Arriba County.

The Aysar Agency of Farmington, New Mexico, forwarded us a letter of August 18th from Emery C. Arnold of Oil Conservation Commission. Will you please keep us advised when this job is completed so we may release the bond. We are sending carbon copies to Mr. Tom Bolack, one of the indemnifiers since in the event any demand is made on Great American to fulfill the conditions of its bond, we will be looking to Mr. Bolack for payment.

Regardless, we still want to know what action is being taken by the company in seeing to it that the well is plugged.

We would appreciate a prompt reply.

Sincerely yours,

James R. Toulouse
