I have a request for
Cancellation of land listing
SW 1/4, Sec 2, T 1 S, R 10 E
Martin & Charles Survey.
Can you let me know
what work needs to be done
before we can cancel?

Thanks!

Ralph,

Attached are copies of
Correspondence regarding
the Oil Bar well along
with a copy of the original
Commission form that has
been filed. Do not cancel
the bond until we have a
complete well record & have
determined the location of the
plugging - perhaps if you
will inform of this some action
will be taken.
