(0110)	ate all pertinent details, and give pertinent date

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

TD'ed in July, 1981, this well is presently SI, WOCU. In view of the gas marketing situation, completion of this well was delayed. Further evaluation of offset production tests in the meantime will provide input toward this completion design.

When a completion proposal has been formulated, it will be submitted to the MMS for approval.
