Dallas, TX 75201

Gentlemen:

Enclosed are your Applications for Permit to Drill (APD's) for the following wells:

1. No. 1 Federal 29-4-23, SW/4SW/4 sec. 23, T. 29 N., R. 4 W., Rio Arriba County, New Mexico, lease NM-18322.
2. No. 1 Federal 31-4-32, NE/4NE/4 sec. 32, T. 31 N., R. 4 W., Rio Arriba County, New Mexico, lease NM-23044.
3. No. 2 Federal 29-4-26, NW/4NE/4 sec. 26, T. 29 N., R. 4 W., Rio Arriba County, New Mexico, lease NM-18325.
4. No. 2 Federal 29-4-25, SW/4SW/4 sec. 25, T. 29 N., R. 4 W., Rio Arriba County, New Mexico, lease NM-18324.

As discussed with Dana Deventhal of your company on January 14, 1991, the subject APD's are rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 30 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in assessment of liquidated damages.

Sincerely,

Original Signed STEPHEN MASON
