Gentlemen:

References are made to your Applications for Permits to Drill (APDs) the wells listed on the enclosed list. As requested by your sundry notices of June 22, 1992, the subject APD's are rescinded and returned.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 30 days, we will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in assessment of liquidated damages.

Sincerely,

Ken Townsend
