RE: Quinlan Ranch Well 02 #4
API No. 30-039-25191

Dear Mr. Robinson:

We contacted you in early July concerning the above referenced well. At that time you were going to meet with the Quinlan Ranch foremen to make a visual inspection of the wells that we drilled and notify us as to what needed to be done to clear up any remaining paper work on this well.

As of this date, we still have not heard from you concerning this matter. Since we are no longer conducting any operations in your state, we would like the state to release our \$50,000.00 Plugging Bond. They will not do so until the paper work on this well have been finalized.

We ask that you please notify us as to what we need to do to get this cleared up.

Sincerely,

DEKA EXPLORATION, INC.

Jerry Marlow
