Gentlemen:

Enclosed are your Applications for Permit to Drill (APD) for the following wells:

1. No. 513 Rosa Unit, NENE, Sec. 23, T. 31N., R. 4W., Rio Arriba County, NM., lease SF 078893.
2. No. 46A Rosa Unit, NESW, Sec. 8, T. 31N., R. 5W., Rio Arriba County, NM., lease SF 078763.

The subject APD is rescinded and returned due to drilling not being commenced within the time frame authorized by either the APD or an extension of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 30 days, we will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in assessment of liquidated damages.

Sincerely,

Matthew Warren
