Dear Al: RE: P. B. English, Dave Martin Well #1;
SE SW 34-30N-11W, San Juan County

Thank you for your letter of October 11 with your findings on the above well. We are forwarding the C-102 form showing intention to plug, and agree with you that if the well is properly plugged to everyone's satisfaction, it will probably be best to accept subsequent C-103 forms and close the files on the case. We will therefore leave it in your hands.

Very truly yours,

Jason Kellahin
