Dear Sir:

Reference is made to your letter of March 31, 1955, in which you requested that the Pubco State Well No. 14, located in Unit M of Section 36, Township 30 North, Range 9 West, NMPM, San Juan County, New Mexico, be considered as a standard 320-acre proration unit in the Blanco-Mesaverde Gas Pool.

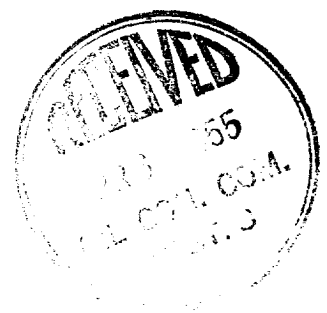

This is to inform you that for the purposes of gas prorationing, the aforementioned Pubco State Well No. 14 shall be considered as a standard 320-acre proration unit in the Blanco-Mesaverde Gas Pool until such time as said Section 36 can be resurveyed and an accurate determination of the actual acreage dedicated to said well be made.

Very truly yours,

W. B. Macey
