17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Pulled 1.315" O.D. tubing. Well was full of water, but could not determine exact location of casing leak. Leak appeared to be between 800' and 900'.

Ran Baker Model P permanent packer on 2-7/8" O.D. tubing. Set packer at 2296' K.B. Swabbed well steady for two days. Ran 1.315' O.D. tubing. Blowing to atmosphere for clean up.

1/15/69 Still blowing to atmosphere. Making fine spray of water.

Plan to test into line after clean up.

I, hereby certify that the information above is true and complete to the best of my knowledge and belief.
