7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well has developed a casing leak. We plan to repair as follows:

1. Pull rods and tubing and set drillable bridge plug at 3500'.
2. Locate depth of casing leak.
3. Squeeze hole in casing with an amount of cement to be determined by pump rate established when locating hole.
4. Drill out and return well to production.
