El Paso Natural Gas Company
Box 997
Farmington, New Mexico

Att: Mr. W. M. Rodgers

Dear Mr. Rodgers:

We have been notified that the Robert Mims #1 Jackson well in the SW $\frac{1}{4}$ Section 30-30N-11W in the Astec Pictured Cliffs Pool has been worked over. This well was previously shut in by this office for failure to submit deliverability test.

This letter will serve as your authority to turn this well back on production.

Yours very truly

Emery C. Arnold
Supervisor, District #3

Mr. J. W. G. Gentry
New Mexico
Washington, D. C.

Dear Mr. Gentry:

Enclosed:

We have been notified that the Robert Gentry of Anderson will
in the SW 1/4 Section 30-30-11N in the State of New Mexico
has been located. This well was previously sold to
by the State of New Mexico to the Anderson family.

This location will serve as a guide to the well
and its production.

Very truly yours,

Wm. J. Gentry
Superintendent, District 10
