Re: M.S.B.W. #1 Montgomery  
K-28-30N-12W. San Juan Co.

Dear Bob:

Our records indicate that the above well was disconnected from the pipeline in November 1956 and has not produced since that time. We presume that it is not your intention to attempt re-completion.

Will you, therefore, please notify us when the well is to be permanently plugged and abandoned according to Commission Rules and Regulations.

Yours very truly

Emery C. Arnold  
Supervisor District #3
